

03-Nov-2023

EOL for AC-DC Converters (FNP, FXP, FXR-series products) and Power Shelves (FNR-series products)

Dear Valued Customer,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made obsolete, depending on component availability.

Last Time Buy (LTB) orders accepted until: 01-April-2024.

Last Time Shipments until 01-April-2025.

After the indicated dates, the affected products will be considered obsolete. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Support Representative.

The products listed in the table below do not replacements.

Part Number
FNP1500-48G
FNP1800-48G
FNR-3-12G
FNR-3-48G
FXP1500-48G
FXP1500-48S100G
FXP1800-48G
FXR-3-48G

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully

Ian Warner
